President Blood inquired about the payment to EDD. Mr. Small informed him that it is for Employment Development Department which is the payroll taxes. A motion was made by Director Tressler, seconded by Director McDermed, to approve consent items a-c. A roll call vote was taken. Directors Tressler, McDermed, and Blood voted yes; none opposed. Motion carried 3-0.

6. ANNUAL AUDIT ENGAGEMENT LETTER

Director Tressler questioned if the District should be looking for another auditor. Mr. Small explained that auditors are hard to find right now and was advised to stay with current auditors as long as they have enough employees at the firm to switch from last year. Our current firm has enough employees to do that. Director Tressler asked if it was required to switch. Mr. Small

explained that the Governmental Accounting Standards Board requires the switch. President Blood asked if the District was satisfied with the current auditors. Mr. Small replied that he is. The audit is tentatively scheduled for early November. A motion was made by Director Tressler, seconded by Director McDermed, to approve the professional services agreement with Larry Bain, CPA, An Accounting Firm. A roll call vote was taken. Directors Tressler, McDermed, and Blood voted yes; none opposed. Motion carried 3-0.

7. NOTICE OF COMPLETION – CLEARWELL TANK PROJECT

Mr. Small informed the Board that the new Clearwell Tank is in operation. Construction is complete and the District has paid the final bill minus the retention. Director Tressler asked the amount of retention. Mr. Small believed it was 5%. Mr. Small explained to the Board what the retention is and the purpose of having a retention in place. A motion was made by Director Tressler, seconded by Director McDermed, to approve Resolution 2023-14 Accepting the Work on the Clearwell Tank Phase II Site Improvement Project. A roll call vote was taken. Directors Tressler, McDermed, and Blood voted yes; none opposed. Motion carried 3-0.

8. RESOLUTION 2023-15 UPDATE POLICY 4130 – DIRECTOR COMPENSATION, BENEFITS AND REIMBURSEMENT OF EXPENSES

Mr. Small gave a background of this policy. This policy was brought to the Board back in the fall of 2021. Part of the policy was adopted which raised the payment of \$25 per Board Meeting to \$100 per Board Meeting. The health benefits proposal was not adopted. This update to the policy was brought to a committee meeting with Directors Blood and McCartney. Through the committee, they have recommended to provide dental and vision for the Board Members. Director Tressler asked if this included dependents and when will the policy be reviewed again. Mr. Small clarified that it does include dependents and that per the policy, it should be reviewed biannually. Director Tressler has expressed his view on this policy but believes this solution is a good compromise and will be a big move for the District. Mr. Small believes that until the District can secure alternative funding that this is the best option. President Blood expressed his reservations with passing the policy. He spoke with members of the public and received negative responses. President Blood asked to move this item to the next meeting that way all Board Members will be present and can vote on it. The other Directors agreed.

9. FISCAL YEAR 2022/2023 FINAL BUDGET UPDATE AND AMENDMENT

Mr. Small informed the Board that these budget amendments will finalize the Budget for Fiscal Year 2022/23. The District stayed under budget for the majority if the categories. This amendment is to just move funds around to make each category within budget. Director Tressler asked what items caused going over budget. Mr. Small replied that most of it was PG&E and rental fees when the District's backhoe was down. Mr. Small explained that this amendment is to move \$33,056 from salaries to equipment rental. Director Tressler asked if Mr. Small eliminated a vacant position. Mr. Small explained that the position is not eliminated, it's just not filled at this time. Once a position is eliminated it is often difficult to get that position back. President Blood inquired if hiring of that position would be brought back for Board approval. Mr. Small explained that hiring staff is within his authority as long as a position is available. If a position needs to be created, that would be brought back to the Board. A motion was made by Director Tressler, seconded by Director McDermed, to approve Budget Amendments for Fiscal Year

2022/23. A roll call vote was taken. Directors Tressler, McDermed, and Blood voted yes; none opposed. Motion carried 3-0.

10. FISCAL YEAR 2023/2024 BUDGET UPDATE

Mr. Small provided an update to the Board where the District currently stands as of August 31, 2023 for the Fiscal Year 2023/24 Budget. Having the Board meetings moved to the third Tuesday of each month has really helped staff to be able to provide the data for monthly updates. The District is within $1/6^{th}$ of all expenditures. The staff is doing their best to keep everything tight. Mr. Small provided an overview of the current budget status. Director Tressler inquired if John Deer was on a long-term lease. Mr. Small stated that it is with an option to purchase at the end of the lease. Director Tressler inquired about the length of the cell tower contracts. Mr. Small informed him that it is an evergreen lease with the original contract date being around 1984. Mr. Small informed the Board that this actually the topic of the next agenda item and moved onto agenda item #11.

11. CROWN CASTLE CELL TOWER LEASE AGREEMENT

Mr. Small gave an overview of reason for the agreement. Adam Brown, District Legal Counsel, informed the Board that they can vote it down but they wouldn't receive the income. He doesn't see a reason to vote it down as it is adding additional income to the current contract. President Blood asked if the District could renegotiate the contract. Mr. Brown informed him that the Board would need to amend or terminate the contract as part of a renegotiation. Director Tressler believes the District should have a say in how much the contract is. Mr. Small informed the Board that this amendment to the contract will add an additional \$6,000 a year income to the District. Directors Tressler and McDermed thinks the contract needs to be renegotiated. Director Tressler believes the District needs to start pushing back on some of these contracts. President Blood believes this needs to be discussed further. A motion was made by Director Tressler, seconded by Director McDermed, to approve Crown Castle Cell Tower Lease Agreement. A roll call vote was taken. Directors Tressler, McDermed, and Blood voted no; none approved. Motion failed 0-3.

12. CONSIDERATION OF PROPOSALS FOR IT SERVICES

Mr. Small informed the Board that one of the biggest weaknesses that the District currently has is Information Technology (IT) services. The District is currently extremely vulnerable. The District holds a cyber security policy with ACWA/JPIA and Mr. Small does not believe we are currently in compliance with that policy. If the District experienced a cyber-attack, ACWA/JPIA would not cover the damages. President Blood expressed his concern with the cost. Director Tressler was not impressed with either quotes provided. President Blood inquired as to the difference between this and the contract that was approved prior for Control Point. Mr. Small explained that the prior contract was to rebuild the District's outdated server to house the new billing software. That contract was never meant to be for ongoing IT services. The Board and staff discussed the two contracts and the need for IT services. A motion was made by Director Tressler, seconded by Director McDermed, to approve Agreement with Mission IT Solutions for the District IT Services. A roll call vote was taken. Directors Tressler, McDermed, and Blood voted yes; none opposed. Motion carried 3-0.

13.LETTER OF SUPPORT FOR UPPER MOKELUMNE RIVER WATERSHED

AUTHORITY'S (UMRWA) SIERRA NEVADA CONSERVANCY (SNC) GRANT

Upper Mokelumne River Watershed Authority (UMRWA) has a number of forestry projects ongoing. They are trying to be proactive in securing grants. They are asking for support from other agencies to help obtain grants. A motion was made by Director Tressler, seconded by Director McDermed, to authorize the General Manager to draft a letter of support for application for SNC project 1636 – Forest Projects Plan (FPP, Phase 1b) and SNC project 1646 – forest projects plan. A roll call vote was taken. Directors Tressler, McDermed, and Blood voted yes; none opposed. Motion carried 3-0.

14. REPORTS

a. Legal Counsel's Report

Mr. Brown stated that his report was covered.

b. Water System Superintendent's Report

Mathew Roberts, Water System Superintendent, provided an overview of his monthly maintenance report. Jeff Davis reservoir is 3.5' below spill. The cooler weather is starting to cause water consumption to drop. The South Fork Pump Station pumped 153-acre feet. There is a mechanical issue at Schaads right now so the pumps are off. There is also a penstock pressure issue at Schaads as well. The annual Federal Energy Regulatory Commission (FERC) inspection has been completed. There were four leaks on the 4" main on Pope St. There were four leaks on the 6' main in Paloma. Fall application is underway for the spray program. The crew completed 50 USAs and 21 customer service orders. President Blood asked how the water consumption was doing for this time of year. Mr. Roberts replied that the water consumption is consistent for this time of year.

c. District Engineer Report

The Engineer report was covered by the Clearwell Tank Project memorandum.

d. General Manager's Report

Mr. Small informed the Board that the District is in the holding stage for the State Revolving Funds (SRF) grant process. The District's projects are currently being graded. Grades A, B, and C are driven by regulatory compliance. Grades D, E, and F are non-regulatory. The District is currently working on a FEMA application as a sub-applicant with Calaveras County. The Water Master Plan has been completed. A draft Master Plan should be available soon. Mr. Small will forward the draft once available. The cabinets in the Board room have been installed. Once the cabinets are secured to the wall the staff will transfer the documents from storage to the cabinets.

e. Director's Comments:

Director Tressler apologized for his absence at the last meeting. Director McDermed was up at Redhawk and was speaking with the owner who was saying that the District owns the water and he owns the land. Mr. Small clarified that the District owns the water rights and the dam. Director McDermed inquired as to why the District keeps Redhawk. He thinks the District should think about selling it since the District does not have a way to get to that water source. Mr. Small replied that it's definitely an option that the Board could look into.

8. ADJOURMENT

There being no further business to come before the Board, President Blood adjourned the meeting at 11:24 am.

CALAVERAS PUBLIC UTILITY DISTRICT POLICIES

Policy Name:	4130 – DIRECTOR COMPENSA	ATION, BENEI	FITS AND
Folicy Name.	REIMBURSEMENT OF EXPENSES		
Approval Authority:	CPUD BOARD OF DIRECTORS	Adopted:	
Resolution No.	Resolution No. 2023-15	Revised:	

4130.1 Purpose of the Policy

This document sets forth the policy of the Calaveras Public Utility District concerning Directors' compensation, benefits and the payment of actual and necessary expenses incurred in the performance of official duties and is intended to comply with the requirements of Government Code sections 53201 *et seq.*; 53232 through 53232.4; and California Public Utilities Code Section 16002.

4130.2 Directors' Compensation

Each member of the Board of Directors of the District will be entitled to receive \$100 per day for each day's attendance at meetings of the Board, or for each day's service rendered as a member of the Board by request of the Board, in accordance with Public Utilities Code section 16002(b). Internal Revenue Code section 3401(c) requires Directors of the District to be considered employees for income reporting purposes. A Director must complete form W-4 and are encouraged to sign up for direct deposit. A Director may choose to voluntarily serve on the board and receive no compensation for meeting attendance (Directors who voluntarily serve will still be eligible for health and welfare benefits and for expenses eligible for reimbursements).

4130.3 Types of Service for Which Compensation Will Be Provided

Applicable law (Public Utilities Code section 16002 and Government Code section 53232.1) permits the District to compensate Directors for each day's attendance at meetings of the Board, or for each day's service rendered as a Director, subject to a written policy adopted in a public meeting. A Director can be compensated for up to 10 days per calendar month of service in accordance with the Board's adoption of Resolution No. 2021-13 The District encourages Directors to take advantage of opportunities to be informed concerning matters of interest to the District, and to inform others of the activities and interests of the District. The General Manager or his or her designee will provide to the Board monthly a list of meetings attended by each Director for which the Director has been compensated under this policy. Directors will be compensated (for up to 10 days per calendar month, \$4800 per year) for attending the following types of meetings:

- (A) A meeting conducted pursuant to the Ralph M. Brown Act (Chapter 9 (commencing with Section 54950) of Part 1 of Division 2 of Title 5 of the Government Code).
- **(B)** Representation of the District at a public event, if that representation has been previously approved at a meeting of the Board and the member delivers a written report regarding the member's representation to the Board at the board meeting immediately following the public event.
- **(C)** Representation of the District at a public meeting or a public hearing conducted by another public agency, if that representation has been previously approved at a meeting of the Board and the member delivers a report regarding the member's representation to the Board at the board meeting immediately following the public meeting or public hearing.
- (**D**) Representation of the District at a meeting of a public benefit nonprofit corporation on whose Board the District has membership if that representation has been previously approved at a meeting of the District's Board and the member delivers a written report regarding the member's representation to the Board at the Board meeting immediately following the corporation's meeting.
- (E) Participation in a training program on a topic that is directly related to the District if that representation has been previously approved at a meeting of the Board and the member delivers a written report regarding the member's participation to the Board at the Board meeting immediately following the training program.
- (F) Committee meetings of the Board, attended as a member of the committee;
- **(G)** Other meetings necessary for the disposition of duties assigned to a Board committee, attended by a member of the committee;
- (H) Meetings, water industry events or office visits of a substantial duration concerning substantive District business as requested and approved for payment by the General Manager or the Board President; and
- (I) In connection with business, educational and ceremonial meetings, functions, and conferences for which the District has prepaid for a Director's attendance, the Director shall attend such events. If the Director is unable to attend the pre-paid event, the Director shall immediately notify the District. If the District cannot obtain a refund of fees paid, then the District shall bill the Director for reimbursement for all amounts paid, unless the Director's failure to attend the event arises from circumstances beyond the control of the Director.

4130.4 Health and Welfare Benefits

The District is authorized under California Government Code section 53200 *et seq.* to provide health and welfare benefits to its employees, retired employees, and current

Directors of the District. Under this policy, each active Director is entitled to receive Dental and Vision Insurance through the Association of California Water Agencies Joint Power Insurance Authority (ACWA JPIA). The benefit is for the Director plus eligible dependents.

4130.5 Reimbursement of Directors' Expenses

Policy and General Rules

The District encourages Directors to attend conferences, seminars and other meetings that require their participation or provide an opportunity to be informed concerning matters of interest to the District. Each Director is entitled to reimbursement for the reasonable and prudent expenditures (i.e., registration fees, travel, meals, lodging, and other actual and necessary expenses) incurred in the performance of his or her official duties. When a Director pre-pays expenses (e.g., registration, airfare, hotel), the Director may submit such items for expense reimbursement prior to the meeting occurrence.

A Director may use his or her personal funds for meeting registration. The District will reimburse the Director for the actual amount of the registration, if properly reported and documented in accordance with this policy.

The District's annual budget will set an appropriate level of funding for payment of Directors' expenses.

Any exceptions for expenses that do not come within the District's expense reimbursement policy must be approved by the Board in a public meeting in advance of the time when the expense will be incurred. (Government Code, §53232.2, subd. (f).) Any question concerning the propriety of a particular expense should be resolved by the Board before the expense is incurred.

4130.6 Reimbursable Expenses

Directors' direct expenses for attendance at meetings and events authorized by this policy, including registration fees, reasonable travel, lodging, and meal costs, and other actual necessary expenses, will be paid by the District in accordance with the guidelines and per diem rates for an accountable expense reimbursement plan as defined in the United States Internal Revenue Service's Publication 463 ("Travel, Entertainment, Gift and Car Expenses") and Publication 1542 ("Per Diem Rates (For Travel Within the Continental United States") (collectively, the "IRS Publications"), as such may be amended from time to time.

The following expenses are authorized business-related expenditures:

- a. Personal Vehicle Mileage. A Director will be reimbursed for actual vehicle travel miles at the rate authorized under the IRS Publications for all meetings attended and services provided. A Director will be considered to have accounted for personal vehicle expenses by indicating the actual miles traveled, the business purpose of the travel, and the date of travel on the approved District expense reimbursement form and submitted. The District will not reimburse Directors for any other personal vehicle expenses.
- b. Hotel Expenses. A Director will be reimbursed for reasonable lodging expenses incurred in accordance with this Policy when a Director attends conferences, seminars, or meetings, if the Director stays at the hotel or other lodging listed in the event's registration materials at the group rate obtained for the event. If a Director travels on District business for which no hotel is designated or is unable to book lodging at a specified conference rate, he or she may either (a) be reimbursed at the per diem hotel rate provided in the IRS Publications for the city in which the hotel is located; or (b) use the Director's personal funds to pay for hotel charges, in which case the District will reimburse the Director for actual charges, but only up to three times the maximum per diem hotel rate provided for in the IRS Publications for the event location.
- Meals. A Director may be reimbursed for the cost of meals while attending c. authorized conferences, seminars, or meetings away from the District based on the per meal rate provided for in the IRS Publications. A Director may either (a) report meals at the IRS per diem rate or (b) use the Director's personal funds to pay for meals, in which case the District will reimburse the Director for actual charges, but only up to three times the maximum per diem meal rates provided for in the IRS Publications. If a Director is not traveling for a full day, defined as from 12:01 a.m. to 12:00 Midnight, the per diem meal/incidental allowance will be prorated according to the actual hours of travel unless a Director uses his or her personal funds to pay for meals, in which case the District will reimburse the Director for actual charges for meals incurred while traveling, but only up to three times the maximum meal rate provided for in the IRS Publications. If the District prepays the cost of one or more meals with a meeting, function or conference registration, a Director must attend the prepaid meals. If a Director fails to attend a pre-paid meal, a Director may not submit a claim for reimbursement for an alternative meal taken in lieu of the pre-paid meal.
- d. Incidental Allowance. Tips for meals will be reimbursed up to a maximum of 15% of the cost of the reimbursable portion of any meal in accordance with the tip shown on the receipt attached to an expense reporting form. The District will reimburse the Director for tips given to transportation drivers, baggage porters, bellhops and hotel housekeepers that are reasonable and customary for the area. A Director may be reimbursed for toll charges and parking fees up to the actual amount expended.

- e. Common Carrier Travel. When personal vehicle use for District business is impractical due to time and/or distance, a Director may use regularly scheduled commercial carriers for travel. Consistent with scheduling needs and the most-direct route, a Director traveling by plane, train, rental vehicle, bus, or taxi will travel at the least-expensive fare available for the date and time of the travel. When possible, travel should be planned to permit use to use advanced fares. Long-term parking must be used at airports for travel exceeding 24 hours. The District will reimburse the Director for the actual amount of the fare and related, necessary expenses (e.g., baggage fees), if properly reported in accordance with this policy.
- f. Telephone/Fax/Cellular/Internet. A Director will be reimbursed for actual telephone, fax and reasonable internet expenses incurred for District business. Telephone bills should identify which calls were made for District business. For cellular calls when the Director has a particular number of minutes included in the Director's plan, the Director can identify the percentage of calls made for District business.

4130.7 Types of Expenses for Which Reimbursement Will Not be Provided.

Director expenses that are not deemed to be reimbursable business expenses may include, but are not limited to:

- a. Barber and/or beauty shop charges;
- **b.** Fines for traffic or parking violations;
- **c.** Expenses of any person accompanying a Director on a District-approved trip or event;
- **d.** Personal telephone calls;
- e. Fitness/Health Facility or Massages;
- **f.** Alcoholic beverages;
- **g.** Entertainment expenses (movies, sporting events, etc.);
- **h.** Non-Mileage vehicle expenses; and
- i. Charitable contributions

4130.8 Expense Reporting Procedures

To be reimbursed for any expense authorized under this Policy, within 60 days of incurring the expense, a Director must fill out and sign a District-provided expense report form. The expense report form is designed to ensure that Directors' expense reimbursements comply with the requirements of Government Code section 53232.3 and the IRS Publications. Accordingly, the General Manager will review each expense report form, and sign it to indicate compliance with the requirements of this policy. In all cases when a Director seeks reimbursement for expenses incurred while attending a conference, seminar or other meeting, a copy of the conference registration form must either be attached to his or her expense report or on file at the District (e.g. copy attached to check request or purchasing card paperwork). In addition, a Director will

be required to attach the following documentation to his or her expense reimbursement report as a condition of receiving reimbursement for an appropriately-incurred business expense:

- a. Personal Vehicle Mileage. To verify mileage, the General Manager or designee will document personal vehicle mileage, using tools such as Google or MapQuest, which will be attached to the Director's expense report.
- b. Lodging Expenses. If a Director wishes to be reimbursed for lodging expenses, he or she must attach to the expense report an itemized bill issued by the hotel and a copy of the credit card receipt or other proof of the Director's payment. Except when attending a conference, seminar or other meeting and using the available group rate booked for the event, the District will reimburse a Director only for the actual amount of the hotel expenses incurred up to a maximum amount equal to three times the applicable per diem rate shown in the IRS Publications.
- c. Meal Expenses. If a Director wishes to be reimbursed for meal expenses at the IRS per diem rate, he or she may fill out the expense report form and claim the expense without further documentation. If a Director pays for meals with his or her own funds, he or she must attach to the expense report an itemized bill, copy of a credit card receipt or other proof of the Director's payment. In such cases, the District will reimburse a Director only for the actual amount of the meal expense incurred up to a maximum amount of three times the applicable per diem rate shown in the IRS Publications.
- d. Common Carrier Travel. A Director must attach to his or her expense report the fare, coupon, or itemized bill from a travel agency, airline, rental vehicle, bus, or train showing the actual amount expended for such travel. A boarding pass, conference badge, business receipt from the destination or other documentation indicating the travel occurred must be attached to the Director's expense report.
- e. Incidental Expenses. Whenever possible, a Director should obtain a receipt for incidental expenses such as tolls and parking fees. For incidental expenses where no receipt is available, such as tips and parking meter costs, a reimbursement request for such expenses may be claimed on the District approved expense report. Certification that such expenses were related to District business, reasonable, appropriate, and actually incurred by the Director is made when signing the District approved expense report form.

In all cases, the Director will remain responsible for filing an expense report and attaching the appropriate documentation obtained by the Director in conformance with paragraphs a. through e. above. Flat-rate advances or payments of expenses are prohibited under Government Code section 53232.2, except for per diem payments authorized in accordance with the IRS Publications.

A Director must substantiate all expenses on an expense report with the appropriate documentation attached within 60 days of incurring or paying the expense. An expense report submitted after the 60 days will only be paid if approved by the Board at a regular meeting. Any mis- or late-reported expenses incurred by a Director will not meet the requirements of the IRS Publications and will be considered income to the affected Director. To comply with the applicable tax laws, the District will issue to a Director a Form W-2 including all mis- or late-reported expenses as income.

4130.9 Disclosure

To comply with reporting requirements of Government Code section 53232.3, the District will prepare a list of the meetings attended by each Director for which the District provided compensation, and a list of the amount and purpose of each expense reimbursement paid by the District to each Director. This information will be included with the agenda materials for each regular monthly Board of Directors meeting. At the next regular Board meeting, Directors also must provide either an oral or written report of meetings and other authorized events attended for which they were compensated by the District. If multiple officials attended the same event, a joint report may be made.

All expenses are subject to verification that they comply with this Policy. Directors should keep in mind that some expenditures may be subject to reporting under the Political Reform Act and other laws. All District expenditures are public records subject to disclosure under the Public Records Act, except that the District will ensure that no Director personal information, such as credit card numbers and home addresses, is provided to the public in the event of a request for such records.

4130.10 Penalties

Government Code Section 53232.4 defines the penalties for falsifying or misusing public funds. The penalties include: (1) loss of the violator's reimbursement privileges; (2) restitution of misused District funds; (3) civil penalties of up to \$1,000 per day for each day of violation and three times the value of the public resources misused; and (4) criminal prosecution and lifetime bar from holding public office. The Board will report any violation of this Policy to the appropriate authorities.

4130.11 Payment of Compensation and Expenses

All reimbursable expenses as outlined in this policy will be paid within the next payroll cycle upon receipt of a completed expense reporting form approved by the General Manager or designee.

4130.12 Policy Review

This Policy shall be reviewed at least biennially.

Dear CALAVERAS PUBLIC UTILITY DISTRICT:

In order to better serve the public and minimize the amount of towers in an area where a Lease is located, DISH Network plans to modify the equipment at the telecommunication facility. The modification will not alter the character or use of the site nor will it change the nature of Crown Castle's occupancy of the site.

The COUNTY OF CALAVERAS, CA requires Landowners Authorization for applications related to Land Use, zoning and/or building permits. Therefore, I respectfully request your notarized signature where indicated on the enclosed Property Owner Letter of Authorization (a notary Acknowledgement form is included, and a notary can be scheduled to meet with you upon request).

Thank you for your continued cooperation with Crown Castle. If you have any questions concerning this request, please feel free contact me at (713) 570-3025 or via email at Christy.McWilliams@crowncastle.com

Yours truly,

Christy McWilliams
